

"To provide a safe, happy, and healthy living environment for our clients"

November 2018

JP's Corner

D

At one time or another in each of our lives we have been fortunate to cross paths with someone who leaves their fingerprints on our hearts. Derick VanHouten was one of those people. He passed away in January of this year. We all knew Derick simply as D.

Cardinal of Minnesota Blood Drive Donation

Why do people donate blood? Some may say they know someone who needed blood, or someday they may need blood or a family member might. For some it might be simply because they can. For many, it's because they want to help someone.

Celebrating Abilities 2018

Thursday, September 13th, was a wonderfully warm day, the kind you think about when you are shivering with cold because you don't get these days very often in Fall. What made it even more special was the event held in the Black Box at the Civic Theater. [Read more...](#)

Meet The Office Staff

Name: Nick Longenbach

Explain what you do and why people should call you: I am the IT Manager for Cardinal of Minnesota. I am in charge of making sure the technology we utilize on a day to day basis is operational in the capacity that it is needed. I am also in charge of making sure that the proper technology is being utilized in the best capacity. People call me if their tech is not working or if they are looking for a fun lunch date.
